

# New Pomeranian Puppy Checklist

EVERYTHING YOU NEED FOR YOUR FLUFFY  
COMPANION

## New Pomeranian Puppy Checklist

Welcome to your new journey with a tiny, fluffy companion! This checklist is designed to help new Pomeranian owners get organized and feel confident before bringing home their playful little pup. From supplies to special care tips, it covers the essentials for a happy, prepared start.

### Essential Supplies

- Food and water bowls — small size for Pomeranians
- High-quality small breed puppy food (We provide 1 bag to help you get started!)
- Soft puppy collar and lightweight leash
- ID tag with contact information
- Cozy small dog bed or crate
- Puppy pads for house training
- Grooming supplies (slicker brush, comb for fluffy coat)
- Puppy-safe toys (small size appropriate)
- Nail clippers for small breeds

### Health & Wellness

- Schedule first vet appointment
- Vaccination records and schedule
- Flea and tick prevention
- Heartworm prevention medication
- Pet insurance information
- Emergency vet contact numbers
- Microchip registration

### Pomeranian-Specific Care

- Daily brushing routine for double coat

- Dental care supplies** (Poms are prone to dental issues)
- Small breed-specific food portions**
- Socialization plan** (Poms can be yappy)
- Training treats** (small, low-calorie)
- Temperature control** (Poms are sensitive to heat)
- Safe space away from larger dogs**

## First Week Essentials

- Puppy-proof your home**
- Establish feeding schedule** (3-4 times daily)
- Begin house training routine**
- Set up sleeping area**
- Start basic commands training**
- Take first photos and videos**
